Why there are still two Digital Radio Fora?

The Digital Broadcasting Forum

Summary

- Better integration into political broadcasting landscape in Europe
- IPDC possible now in the same way as on DVB-H
- Access to all applications available for DVB-H
- OMA-BCAST backdoor solution
- Enough space and reduced costs for all Radio Stations
- For the next decade a more thorough refurbishment might be foreseen ...

Legislation Period 2005 - 2007 over ...

**... and after more than 13 years with
DAB it's time for me to say good bye.**
